

YU-COH

Biomedical Research Partnership “Exchange Expansions 2024”

4/24 WED
9:15 ~ 11:05

Zoom
delivery

Time Schedule

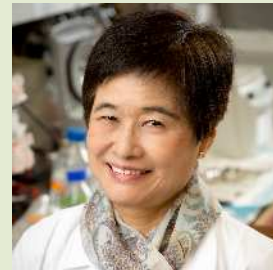

- 9:15- 9:20
Opening Remarks (President Yukio Tanizawa)
- 9:20- 9:30
Introduction to Yamaguchi University
Research (Vice President Ken Kaminishi)
- 9:30-10:00
Translational Research at City of Hope
(David Horne, Ph.D.)
- 10:00-10:30
New Prospects of the Research which
originated from my graduate study
(Yoko Fujita-Yamaguchi, Ph.D.)
- 10:30-11:00
Immunomodulatory Metabolites of the
Microbiome and the Host- A Mass
Spectrometric Tale from Challenge
to Discovery (Markus Kalkum, Ph.D.)
- 11:00-11:05
Closing Remarks (Vice President Yuri Ishii)

Speaker (City of Hope)

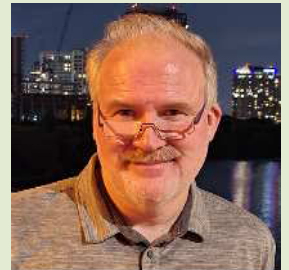

David Horne, Ph.D.

Vice Provost and Deputy Director, Beckman
Research Institute of City of Hope,
Dr. & Mrs. Allen Y. Chao Chair in
Developmental Cancer Therapeutics
Professor, Department of Molecular
Medicine, Beckman Research Institute of
City of Hope

Yoko Fujita-Yamaguchi, Ph.D.

Professor Emeritus, Department of
Diabetes Complications & Metabolism,
Arthur Riggs Diabetes and Metabolism
Research Institute, Beckman Research
Institute of City of Hope

Markus Kalkum, Ph.D.

Professor, Department of Immunology &
Theranostics, Arthur Riggs Diabetes &
Metabolism Research Institute, Beckman
Research Institute of City of Hope
Deputy-Director, Mass Spectrometry and
Proteomics Core

Purpose of the Symposium

Catalyzing progress in biomedical and interdisciplinary research, this symposium is dedicated to enhancing the collaborative bond between Yamaguchi University and City of Hope. Building on a solid foundation since 2017, our goal is to forge stronger connections and foster innovative advancements across diverse scientific fields.
