

# The 26<sup>th</sup> International Symposium on Transport Phenomena (ISTP)

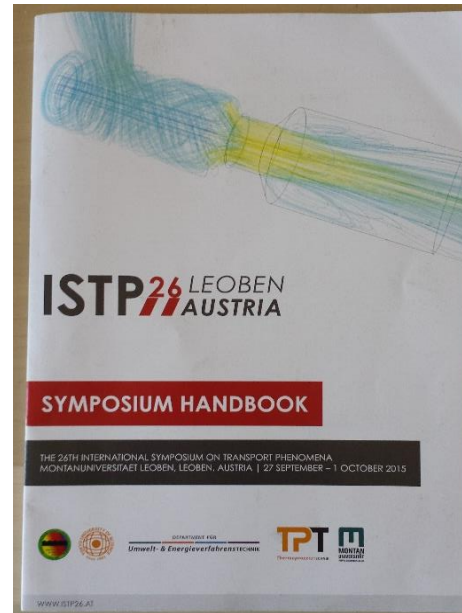

September 27th to October 1st

Graduate School of Science and Engineering  
Yamaguchi University  
Fudhail Abdul Munir

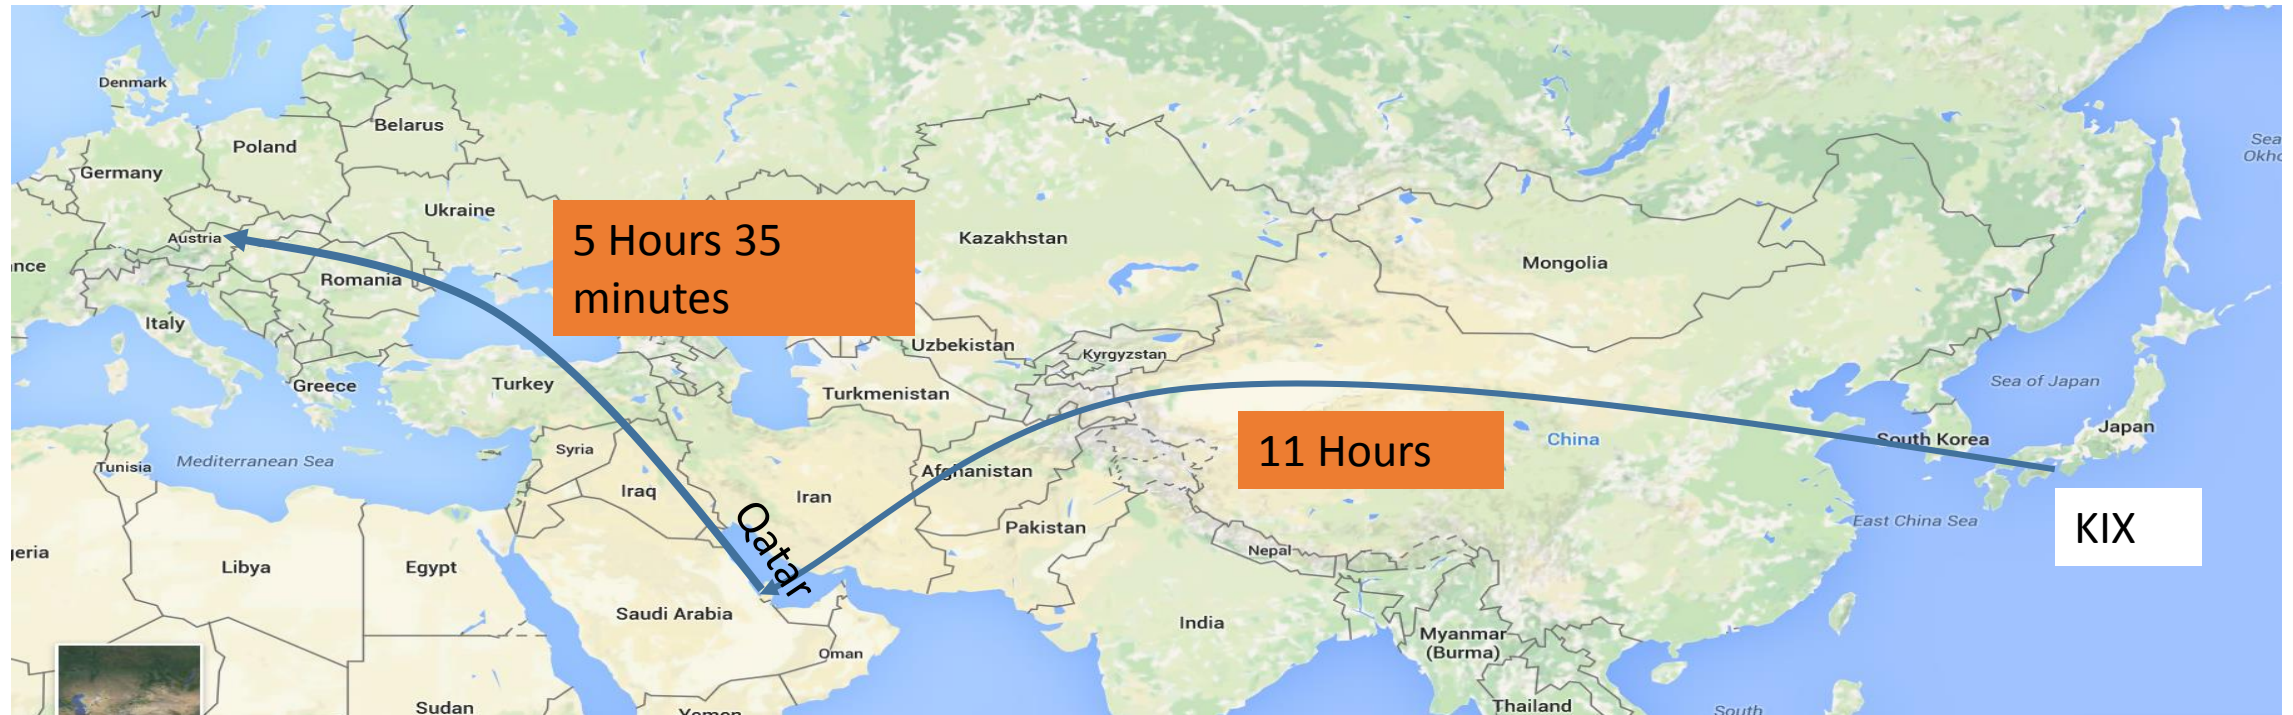

# About ISTEP

- Annual conference actively participated by researchers around the globe
- Topic of interests are fluid flow, heat and mass transfer, micro and nano problems, combustion, emission and energy conversion technologies
- The 26th ISTEP was held in Montanuniversitat Leoben, Austria from 27 September to 1 October 2015
- Previous venues of ISTEP22-25: Netherlands, New Zealand, Yamaguchi, Thailand

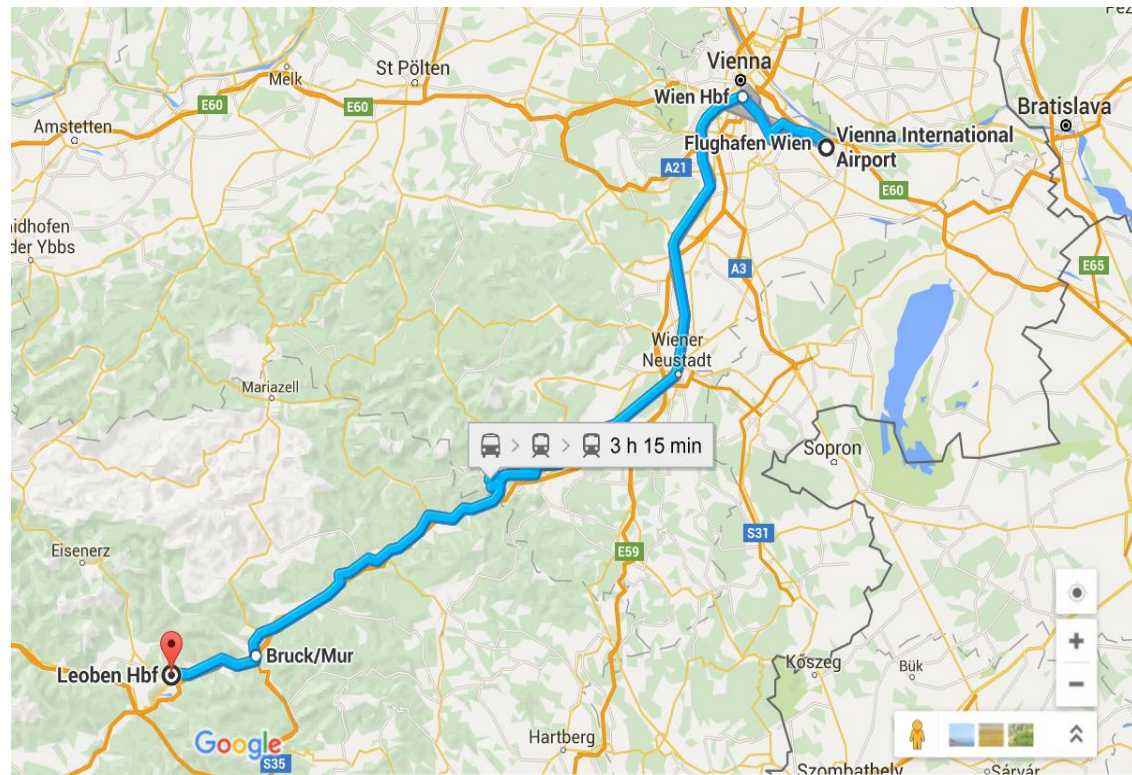

# Travel routes:

- Ube
- Osaka KIX Aiport (Shinkansen)
- Osaka
- Doha Qatar (Flight;transit)
- Doha Qatar
- Vienna Austria (Flight)
- Vienna
- Leoben (3 hours by express train)

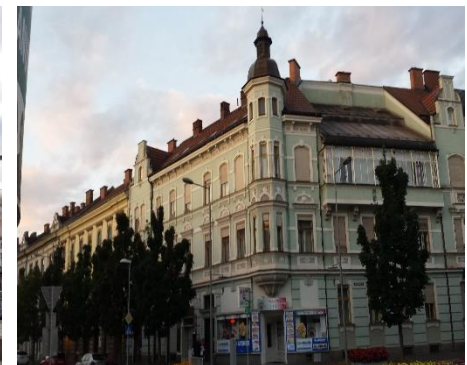

# About Leoben Austria

- Located about 172 km from Vienna. It takes 3 hours of journey by express train from Vienna to Leoben
- It is a small town with population of only 25000

*Certificate*

Bin Abdul Munir Fudhail  
has attended the  
26<sup>th</sup> International Symposium on Transport Phenomena  
„ISTP 26“  
held on 27 September to 1 October 2015  
in Leoben, Austria

*J. Raupenstrauch*  
Harald Raupenstrauch  
Symposium Chair

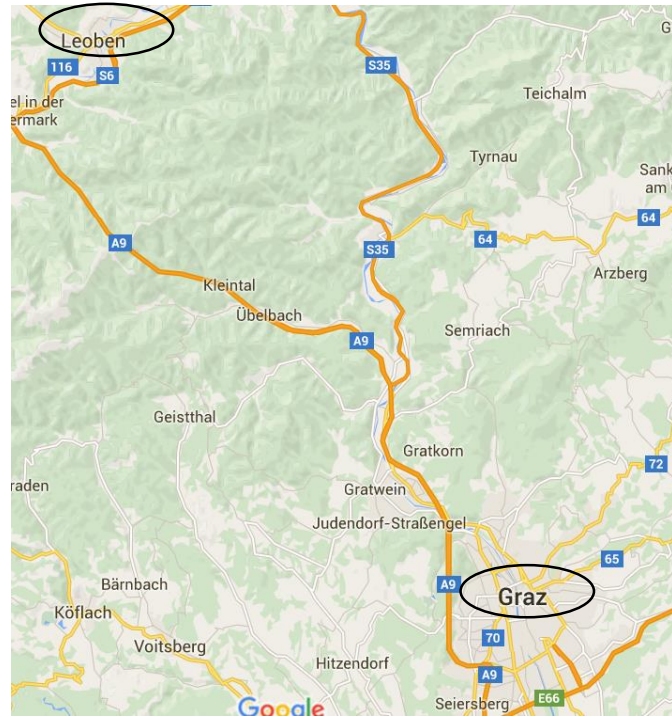

*H. Kern*  
Hannes Kern  
General Secretary

*C. Spijker*  
Christoph Spijker  
General Secretary

# Excursion to Graz

- The conference delegates were brought to Graz, which is located 60 km from Leoben. Graz is a popular tourist place with many historical buildings
